JUNE

Presence
Learn from yesterday, live for today, hope for tomorrow.

JULY

Bloom

Raise your words, not your voice. It is rain that helps flowers grow, not thunder.

SEPTEMBER

Direction
In the waves of change, we often discover our true direction.

OCTOBER

Change
Same tree different season. Remember, everything is temporary.

NOVEMBER

Trust
A bird on a branch is never afraid of it breaking, because its trust is not on the branch, but on its own wings.

DECEMBER

Possibility
When nothing is certain, anything is possible.

Time is like a river.
You can't touch the same water twice.
Because the flow that has passed will never return.
Enjoy every moment.

Horizontal Format | 8 sheets | Size : 5.65"H x 8"W

Bad days are like clouds—they come and darken the sky, but once they pass, beautiful sunshine appears. These are the moments that often go unnoticed, yet they hold the power to ground you. When your mind starts racing with worries about the future or regrets from the past... that's okay. Just know that you don't need to do everything perfectly. Sometimes, simply pausing to take a deep breath is enough to bring you back to yourself. There is no "right time."

There is only time—and what you choose to do with it.
